**NOTES:** The Impulsive Kid is a few spot leopard bred the right way for western pleasure. He is a son of Impulsive Zipper (ApHC) a proven sire of money earners in western pleasure and one of the top sires in the Appaloosa world today. On his dam's side he is a grandson of Kid O Tough. It doesn't get any better than that. He should mature to be around 53". He has the potential to go on and be a famous sire as well. Opportunity awaits for many things with this guy.
