A Choice Bit
5046607

NOTES: A Choice Bit is one of the nicest horses that I have ever trained. He is extremely good minded and athletic. I started him as a cow horse and cutter. He is awesome to heel on and I just started him heading. He is going to be a great head horse as well. I have been breakaway roping calves on him, he will make an awesome calf horse. I have not pushed Choice in his training, he has had plenty of days and weeks off in the past 2 1/2 years. He is just natural at everything that I have asked of him. He reminds me a lot of the great horse, Fletch, that Kyle Lucas bought from me 2 years ago. "Choice" has a very bright future. By **SR INSTANT CHOICE, An All-Time Leading Cutting Sire.**

Docs Driftin Dude

NOTES: Docs Driftin Dude is gentle as a puppy dog! "Dugan" is an 8 year old with a 20 year old's resume. Dugan is very good looking and well made, has a lot of bone and a good foot on him. He is a very honest head horse, stays quiet, logs cattle correctly and faces right. He is a veteran to ride outside, crosses water, bridges, logs, down timber, and is good with a slicker. Dugan has been ridden in parades and has carried flags at rodeos. Has doctored plenty of cattle outside, knows what a days work is, will ride out alone an walk back home. He is very smooth gaited, and is good when exposed to new elements. He will be a companion horse to absolutely anything you have in the pasture no matter how aggressive. Gets along with everything, is a doll to catch and loads right up to go anywhere in the trailer. He has been around cattle, on long trail rides, and is patterned in on the barrels and poles. As long as you can sit on him and hold the bridle reins we believe you can ride him. He has not been traded around, has had two owners his entire life, always taken care of and loved. Whether you are looking for that horse to jump on bareback and head out across the desert on a ride or one to haul to the jackpot tomorrow and collect checks on, Dugan's your guy. He is good to clip, shoe, bathe, groom, de-worm, vaccinate, ride bareback, saddle, bridle, load, and a easy keeper. UTD on dental, worming, farrier and vaccinations. NOTES: Hustlin Booger is a classy looker with gorgeous deep red chestnut color with a flaxen mane and tail. We call him "Uno", cause we think he is #1 at just about any job. A big powerful ground covering gelding but as gentle as they come. Ranch used & solid broke. Whatever your job is you can get it done on him & be well mounted 15.2 h. Great conformation, good saddle back, excellent feet & bone, built to hold up! Extremely talented head horse, takes runs and stays quiet, works the way a good one should. Has a very solid score, leaves off your hand, flat, runs to to the hip or will let you throw some rope. He handles cattle extremely well in the corner, moves flat across the line and the the arena, really pulls from the horn. Fits a #1, and will step up his game for the higher numbers. We have hauled him to rodeos and has picked up broncs and roped bulls. The spotlight doesn't scare him, as a matter of fact we think he likes it. We strongly recommend you don't leave home without Uno. He is one you don't have to ride daily, he has never offered to buck with time off. All numbers of ropers have roped on him, and he performs to their ability. Opens gates, pasture roped on & watches a cow. Will turn around quick and really handles. Straight legs & beautifully built. He has a willing personality and enjoys your attention. Hop on him bareback and ride him to town, dogs, wild hogs and cattle, nothing will spook him. Quiet and gets along well with other horses, good to tie, groom, shoe, clip, bathe, saddle, trailer and de worm. We purchased Uno from his breeder, he has been in good hands and willing to learn and easy to train. For more information and videos visit www.TurnerPerformanceHorses.com or phone (406) 381-2347.

Scootrs Driftin Dust

2002 Buckskin Gelding

Scootrs Driftin Dust
4231645

NOTES: Scootrs Driftin Dust is an extremely cute 14.2 1/2 hand quarter horse buckskin gelding. "Drifter" is smaller in stature, however very sturdy built, has good sized bone a hoof underneath him. He has been ridden and roped on by someone 6', he is strong and can carry a bigger person. Drifter is kind and quiet on the ground and absolutely loves attention. He has had two owners his entire life, has been in good hands and we hope he goes to the same. Cuter than a button, he is a buttermilk in the summer and in the winter turns a dirty buckskin, keen headed and has a soft golden eye. This gelding has a lot of potential and is fancy heel horse. He is extremely quick footed, scoots down the arena, squares up, stops hard and holds his ground. We feel he fits a #2 and up, and the higher numbers love him for his cattiness. Drifter has been ridden in rough ground in the mountains, he really moves out and covers country easily. Moves free quick footed, and cautious where he steps knows the ground underneath him. He has seen it all outside of the arena, wild game, down timber, water, bridges, and is good with a slicker. He is fine to turn out for periods of time. has absolutely no buck. He is good to clip, shoe, bathe, groom, de-worm, vaccinate, ride bareback, saddle, bridle, load, and a easy keeper. UTD on dental, worming, farrier and vaccinations. We invite you to come and ride Drifter prior to the sale at our winter location in Arizona. For more information and videos visit www.TurnerPerformanceHorses.com or phone (406) 381-2347.
